Dear Yamaha Owner:

Yamaha Motor Corporation, U.S.A. has decided that a defect may exist in certain F115B and LF115B model outboard motors. Our records indicate that you own the affected outboard motor shown above.

The reason for this communication:

In affected outboards, it has been determined that the throttle body stay may break due to engine vibration. As a result, the main harness may lose its electrical continuity to ground, causing the engine to stop or be unable to start.

What Yamaha and your dealer will do:

To correct this possible defect, your authorized Yamaha dealer will replace the throttle body stay and certain throttle body mount bolts free of charge. The modification takes a little less than an hour to do, but be aware that your Yamaha dealer may need to keep your outboard motor longer depending upon their current service schedule.

What you should do now:

Please call your Yamaha dealer to make a service appointment to have this procedure performed. At that same time, you can find out how long they expect to keep your outboard motor for this service. Remember to take this letter with you when you take in your outboard motor.

You should have this modification performed as soon as possible.

If you are unable to return to the Yamaha dealer who sold you the outboard motor, this service will be performed by any authorized Yamaha outboard motor dealer. For the name of a dealer near you, call 1-800-88-YAMAHA or visit the Yamaha web site at yamahaoutboards.com.

If you need help:

If, after contacting your dealership, you have questions or concerns which the dealership is unable to answer, please write to:

Yamaha Motor Corporation, U.S.A.
Outboard Motor Customer Relations Department
1270 Chastain Road
Kennesaw, GA 30144

Or call: 1-866-894-1626

If you no longer own this Yamaha:

If you have sold your outboard motor to another party, please call us toll-free at 1-866-894-1626 with the name and address of the new owner, along with the serial number shown to the right of your name on the address label above.

We understand you have a choice in outboard brands, and we are pleased that Yamaha is your outboard motor of choice. Our goal is your on-going satisfaction, and we constantly strive to improve our products to ensure a pleasurable ownership experience.

Sincerely,

Yamaha Marine Service
